Monday - Friday

3-6pm

Location:

Back Hall Under

Track Wall Decal

Welcome to the wonderful world of Senn Track & Field. Where we operate under the 3D's Desire, Determination, Dedication. On Our team you will learn the proper tactics, fundamental, and skills of running and have fun doing it. All we require is to have the desire of wanting to run track, the determination and drive to want to learn all that you can to succeed and the ultimate dedication, which means not missing workouts, to work hard at all times, having "No Excuses", and listening to your coach so that you can achieve maximum potential in your chosen sport of Track & Field at Senn High School.

**-Aaron Reid
Head Track Coach**

"Bulldogs for Life"

The Senn Girls Track Team is filled with young ambitious, energetic, and passion driven young ladies.

The Lady bulldogs of Senn have given themselves the honor of being a team to be wrecked with, even though we are not a large team, we run with the hearts of many.
