*Track & Field*

Welcome to the wonderful world of Senn Track & Field. Where we operate under the 3D's Desire, Determination, Dedication. On Our team you will learn the proper tactics, fundamental, and skills of running and have fun doing it. All we require is to have the desire of wanting to run track, the determination and drive to want to learn all that you can to succeed and the ultimate dedication, which means not missing workouts, to work hard at all times, having "No Excuses", and listening to your coach so that you can achieve maximum potential in your chosen sport of Track & Field at Senn High School.

-Aaron Reid  
Head Track Coach

The Senn Boys Track Team is full of hungry, eager, passion driven guys that want to do nothing else but succeed as one of the top track & field programs on the Northside.

&

We welcome anyone with open arms that what to be apart of a team that runs with school pride and that bulldog spirit.
